01 / TUNAL GROUP × İSMAIL HAKKI YAZICI

Tunal Group, from a meeting to a shared journey

The collaboration, through the fighter's eyes.

Tunal Group entered İsmail's life at his training gym. In his account, the team recognised his potential and offered an opportunity at the start of his professional journey. He describes support ranging from guidance to contacts in gyms and at events, with the team remaining present through difficult moments. A camp abroad remains a powerful memory of that trust. İsmail now wants to grow his career and Tunal's name together, then pass on to others the support he received.

02 / THE STORY

Giving his energy a direction.

Before boxing, İsmail was passionate about basketball and describes a life in which he had to learn to stand up for himself. Entering a gym gave him a framework to turn that energy into discipline and focus.

The loss of his father, financial difficulties and a long interruption tested his journey. He says he became calmer, more observant and patient. Today, he wants a better life for his mother and himself, then to offer other fighters the support he received.

03 / THE JOURNEY

Patient. Then explosive.

İsmail reports 15 amateur wins and 2 losses, with regional titles, followed by a professional debut in December 2022. He declares 5 wins, all by KO, with no losses or draws. His style relies on reading opponents and choosing the moment to accelerate. The reported 63.5–67 kg range does not establish one division.
