02 2020 · Academy foundation in the original presentation

03 Coaching · experiences told by Tunal fighters

Barış's original Tunal profile identifies him as Dark Wolf. The Academy's presentation dates its foundation to 2020 and names him as its founder.

The stories of Thomas, Florent and Kenan show another side of that role: introducing people to boxing, sharing preparation and creating opportunities. His own sporting record and his work around the fighters are presented separately, but together explain his place in the Tunal project.
