01 / TUNAL GROUP × JOACHIM FENU

Tunal Group: trust and new opportunities

The collaboration, through the fighter's eyes.

Joachim discovered Tunal Group through his brother Griiim Reaper. Seeing the support and opportunities his brother received gave him confidence in the project. He now wants to build his professional career with a team that listens to its fighters and supports their long-term development. He names his trip to the United States as his most significant Tunal experience: discovering different methods, learning in a new environment and widening his perspective. With Tunal Group, he aims to develop his boxing, raise his profile and access the bouts that will help his career progress.

02 / THE STORY

Starting at 21. Moving forward without regret.

Born and raised in Marseille's northern districts, Joachim Fenu grew up in a large family. His Guadeloupean roots and Marseille upbringing remain central to his identity.

After the Covid period, he discovered boxing at 21 through his brother Griiim Reaper, his first coach and still an important part of his support team. He wanted to prove what he could achieve and avoid the regret of never trying.

Against much more experienced opponents, he relies on hard work and determination. Sacrifices, a hand injury and defeat in the French championship final taught him patience and the importance of the people around him. He wants his journey to encourage young people from his neighbourhoods to pursue their ambitions.

03 / THE JOURNEY

24 amateur bouts, then a new beginning

In his questionnaire, Joachim reports 24 amateur bouts. He lists victory in the 2024–2025 Jacques Bataille championship, the PACA regional Elite title and a runner-up finish at the 2025–2026 French Elite amateur championships. Reaching that final remains the standout moment of his career.

A 63 kg southpaw, he trains with Kayser at Font Vert / Tunal Group, supported by Griiim Reaper. He has begun his professional career with a first victory. With Tunal Group, he wants to build a lasting career, progress towards titles and eventually earn a living from boxing.
