01 / TUNAL GROUP × ÖMER SALIM

Tunal Group, finding his place in the team

The collaboration, through the fighter's eyes.

Tunal Group caught Ömer Salim's attention on social media. He followed the fighters and events before contacting the team. He explains his choice through the quality of the organisation, its connections and a working approach he sees as sincere and disciplined. He also feels the relationship has changed how people see him and opened up a national and international perspective. With Tunal, he wants to continue developing as a professional and move towards the next stages of his career.

02 / THE STORY

Moving forward for his family.

Ömer Salim grew up among the mountains of Hakkari. He describes a childhood shaped by limited means and a difficult environment. At eighteen, a friend introduced him to boxing: it gave him direction and taught him patience.

Based in Tunceli, he wants first to improve life for his family, then help people in need and orphans. Faith is an important part of that ambition; he hopes one day to turn it into a charitable organisation.

03 / THE JOURNEY

Learning in the ring.

Ömer reports signing his first professional contract in 2026, with no amateur career. His style is still developing: calm and attentive to the right moment, he wants to express his training speed and power more fully in competition. The reported 80 kg weight does not establish an official division.

HIS AMBITION

Progress towards major events and titles, support his family and build a charitable project.
